Dear Campers and Guests,

At Kaleo on the River we are busy preparing and praying for the 2020 camp and retreat season! We are an organization based on abundance faith and hope! We know this is a difficult time for all and we do not know what the summer will bring in regard to COVID-19.

**Currently, all our 2020 programs are still on!**

Please know that Kamp Kaleo on the River is committed to the well-being of each camper, guest and staff member. We are in regular contact with the CDC, WHO, John Hopkins NE Department of Health, American Camp Association, Outdoor Ministry Association, and many other Local, State, and Federal agencies regarding Covid-19 to ensure we are doing all that we can do to ensure a safe grounds and facility to keep guests, visitors and kampers at Kaleo on the River safe.

We are actively examining our arrival screenings, health response procedures, and cleaning procedures, ensuring that we meet or exceed standards required by the Department of Health, CDC and other health and scientific based organizations.

**In order to help you register with confidence**, our current registration guidelines are as follows.

- If you have already registered and wish to exercise caution, contact us about moving to a program later in the summer or year.
- In the event you need to cancel your registration due to illness or circumstances related to Covid-19, you will receive a full refund (including deposit).
- If Kamp Kaleo on the River makes the decision to cancel a program, you will receive a full refund (including deposit).
